July 2016

Dear Community Partner:

We are delighted to share with you this opportunity to be featured in our 13th season program. Your advertisement will reach thousands of potential customers, all while supporting one of central Maryland's premier community orchestras, the Londontowne Symphony Orchestra!

Established in 2003, the LSO was founded based on a vision of creating a community orchestra that would provide high-quality classical and light classical music at an affordable price. Since then, the LSO has continued to grow in size and breadth of music. Our mission is based on ensuring a high quality of life for the residents of our community and fostering life-long learning through music education.

Our 2016-2017 season will feature 5 standard concerts, as well as one chamber music concert. In total, more than 2,000 programs will be distributed during the season. Ads may be purchased in July 2016 for the entire season, or throughout our season on a per concert basis. Ads that are purchased for the entire season will be printed directly into the program, while ads purchased on a per concert basis will be printed on a concert insert. Pricing is as follows:

	Price for Season	Price per Concert
Full Page (5" x 8")	\$300	\$150
Half Page (5" x 3.875")	\$225	\$90
Quarter Page (2.375" x 3.875")	\$150	\$60

Your support will go much further than just advertising at our concerts, as our programs are used as part of a larger marketing initiative for our organization.

The Londontowne Symphony Orchestra is proud to partner with businesses throughout our community. Please feel free to reach out to us with any questions you may have. We appreciate your consideration.

Sincerely,

Cristyn Johnson
Director of Development
